TITLE OF ARTICLE

The text of article...

¹ The list of literature must include only the sources indicated in the text – according to their title order. When quoting from the author’s work, the source must be indicated as the following: for example [5, p. 41]. The bibliographic description of each book (journal) in the list of literature must be incompatible with its title sheet. Non-English literature must be accompanied by its exact English translation (enclosed in square brackets). In case of a Georgian-language article, the literature should be indicated at the end of the article as in Georgian as in English.
